PRE-ADVISING CHECKLIST:
I'M INTERESTED IN TRANSFER DEGREES

If you're interested in completing a transfer degree but aren't sure which degree would be best for you, follow these steps ***before*** you register for classes:

☐ **STEP 1:** Review the NPC Transfer Degree Pathways on page 2, and select the degree pathway you would like to pursue.

☐ **STEP 2:** Find and print your chosen degree plan by reviewing transfer opportunities at NP.EDU/NPU and clicking on 2+2 Transfer Opportunities and AAS Transfer Opportunities.

☐ **STEP 3:** Schedule an appointment with the NPU Transfer Center Coordinator to discuss:
- Courses shown on the transfer degree plan you have completed.
- Courses you need to complete, including prerequisite courses.
- Program format for the courses you will complete at the university, i.e., are they online, on campus, or hybrid (campus + online)?
- Completing the *Student Academic Plan Change form* which is required to reflect your new intended transfer degree plan.

☐ **STEP 4:** Review Transfer 101 information at NP.EDU/NPU to help you navigate the transfer process.
