NATIONAL PARK COLLEGE — HONORS PROGRAM

Honors Capstone Report Instructions

Please provide the following information in a type written report no later than ten workdays before the deadline to apply for graduation.

Submit the report electronically to the Honors Program Director, Dr. Thrasher, at CThrasher@np.edu.

Your report should include the following information.

1. Name of the Honors Student

2. Date of Project Completion

3. Name of and Contact Information For the Person Supervising the Project

4. Title of the Project

5. Describe the Project in 250 Words or More

6. Please provide a brief statement of support from your project supervisor which verifies the

    validity of the project and provides any feedback they feel is needed.

7. Please provide at least three illustrations of the project.

8. Please provide any additional supporting information that demonstrates the success of the project.

9. By submitting this report you confirm that all the provided information is correct to the best of your

    knowledge.

10. By submitting this report you acknowledge that the report and all supporting information may be shared

    with other parties as deemed necessary by the Honors Program Director.
